1 Piece   SCHMITZ CARGOBULL insulated box body - FERROPLAST - V7
BOX - COOL V7 - for truck chassis with THERMO KING T 800R

Dimensions and weights

Internal length	ap.	6.050	mm	Total tare weight	+/- 3%	2.934	kg
Internal width	ap.	2.460	mm	Overall length	ap.	6.200	mm
Internal height	ap.	2.500	mm	Overall trailer width	ap.	2.600	mm
Usable internal length	ap.	6.000	mm	Door aperture height	ap.	2.490	mm
Usable internal height	ap.	2.500	mm	Door aperture width	ap.	2.460	mm
Total height at front (unladen)	ap.	2.759	mm				
Total height at rear (unladen)	ap.	2.759	mm				

Chassis

CARGOBULL * HIGHLIGHTS *****
C00275   Production PANEVEZYS

Registration/Certification
X90310   Provision ATP IR - certification w/o decals, w/o ATP-type plate (B)
X91012   Country of registration: "the Netherlands"
X90520   Intern. custom seal (TIR) for body with rear door, without TIR certificate (f.KR.)

Chassis
M00300   no provision for trailer traffic
C20002   Without rear underrun bar (available on the truck)
X00101   Without side guard acc. RL 89/297EWG (in existence of truck)

Sub frame
C00482   **Subframe bolted and galvanized , incl assy material, 6050 BOX, COOL**
C00524   Provision for sub frame in normal heights

Light system
E00096   Without side tracking lights
K75086   Switch for interior light at the rear, under the floor
C24022   Without lamp holder and number plate holder for truck
E00223   Without side marker lights (in existance at the truck)
K75101   2 white front top position marker lights, 2 red rear top position marker lights

Spray suppression
M01011   Without mudwings and without mudflaps (in existence of truck)

Further chassis equipment
P02020   2 rear corner rubber block buffers
P02024   1 rear rubber buffer across rear width
C90026   1 telescopic ladder at rear, kit

Tail-Lift
L10010   Without provision for tail lift.

Bodywork

Body
K00001   PU foam panel, free of thermal bridges, sealed against vapour diffusion
K00856   **BOX COOL V7, internal length 6050 mm**
C00474   **Box loading**
K09001   Inner skin is 0.6mm PVC coated steel scuffproof and load safe

Front bulkhead/Roof/Side walls
K21020   Insulated front bulkhead, NX17 foam, with reinforcement for fridge installation
K43010   EFP insulated sidewall, COOL 60, NX17 foam
K62004   **FP strong insulated roof, NX17 foam**
K72301   **Row(s) recessed galvanized load restraint track to both walls,without side door-6050**
            Floor to middle of 1st load securing rail 1.000 mm
K21425   **4 ALU air circulation profiles on the front bulkhead, internal length -50mm**

Rear closure
K31051   **FP 2-wing rear door, insulated, NX17 foam, with double stainl. steel locking mechanism**
K33111   **Rain water deflector on the roof, draining to side at rear**
K39013   Rear frame is stainless steel, sand blasted finish
K73311   300mm depth, anodized aluminium kick strip fitted at base of each rear door
P02041   **Hinge protection rubber buffers fitted vertically full height of the rear frame**
P02071   Without add. buffer protection to rear frame across bottom

floor
K11152   **Aluminium barley seed floor, low noise Test load 7200 kg V7 (up to 7700 mm)**
K12001   300mm aluminium kick strip at front and both sides welded to floor

Further body equipment
K72466   without multifunction clamping bars
K75113   **Particularly bright LED lighting inside the box**
K72427   **2 x Rounded steel telescopic locking bar (galv. steel) horizontal, with pins on both sides**
K72440   Without tension belt for load securing rail
K72448   Without tension belt for double stack system

Cooling unit
K80573   provision for THERMO KING T-800R
K80001   Fridge unit aperture cut out and bolt holes drilled in front bulkhead

K80003   **With cover for bulkhead cut out**
K81331   **THERMO KING T-800R 50 with Battery and Battery box**
K80169   **Cooling unit packed and loaded in the body**
K91409   **Provision for temperature recorder Euroscan RX3 (only for ATP application)**
K80123   **Remote control for cooling unit, KIT**

Painting/Finishing
K99204   Roof painted in SCB 9010 white
X90340   Partial contour marking, side, white, rear red all around
K99050   Body finished in white SCB 9010
X90199   Without lettering

Finishing / Colour specification

Part	Color	Number	Classification
